

ASSIGNED

APPLICATION FOR PERMIT

Serial No. 5027

TO APPROPRIATE THE PUBLIC WATERS OF THE STATE OF NEVADA

Date of first receipt and filing in State Engineer's office APR 26 1918
Returned to applicant for correction _____
Corrected application filed _____

The undersigned E. E. SEYLOR,
Name of applicant.
of Peavine Ranch, County of Nye,
State of Nevada, hereby makes application for
permission to appropriate the public waters of the State of Nevada,
as hereinafter stated. (If applicant is a corporation give date and
place of incorporation.) _____

1. The source of the proposed appropriation is Peavine Creek,
Name of stream, lake, or other source.
2. The amount of water applied for is 80/100 second-feet.
One second-foot equals 40 miners' inches.
3. The water to be used for irrigation and domestic purposes.
Irrigation, power, mining, manufacturing, domestic, or other use.
4. The water is to be diverted from its source at the following
point: This is an application for change in point of diversion and
Describe as being within a 40-acre subdivision of public survey, or by course and distance to a section corner. If on unsurveyed land it should be so stated.
place of use of portion of water under permit No. 2230. See Supplemental
sheet.

IF THE WATER IS TO BE USED FOR IRRIGATION, SUPPLY THE FOLLOWING INFORMATION:

- (a) Number of acres to be irrigated is _____
- (b) Description of land to be irrigated _____
Describe by legal subdivision or if on unsurveyed land it

should be so stated and a description provided in accordance with special instruction from the State Engineer when application is returned for correction.

- (c) Irrigation will begin about _____ and end about _____
Month. Month.
_____, of each year.

IF WATER IS TO BE USED FOR POWER, MINING, TRANSPORTATION, OR OTHER USE, SUPPLY THE FOLLOWING INFORMATION:

- (d) Power to be developed is _____ horsepower.
- (e) Works to be located _____
Give 40-acre subdivision on which works will be located, or locate by course and distance to a section corner.
- (f) Point of return of water to stream _____
Describe in same manner as point of diversion.
- (g) Remarks _____

DESCRIPTION OF PROPOSED WORKS

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water is to be stored in reservoirs it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

5. Estimated cost of works _____
6. Estimated time required to construct works _____
7. Remarks _____

For use of applicant.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed _____ cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or before _____

Proof of completion of work shall be filed before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial use must be filed with State Engineer on or before _____

WITNESS MY HAND AND SEAL this _____ day
of _____

State Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the point of diversion and place of use of a portion of the water granted under Permit No. 2230, is issued with the understanding that no prior rights will be affected thereby. Inasmuch as Permit No. 2230, the basis for these proposed changes, stands jointly in the names of Rolland Tidwell and Honnorah Seyler, it is understood that the applicant herein is acting on behalf of both parties and any certificate eventually issued under this permit must be made out jointly in the names of Seyler and Tidwell. The State reserves the right to regulate the use of water under this proposed change at any and all times.

The amount of water to^{be} changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.8 cubic feet per second.

Actual construction work shall begin on or before October 27, 1923.

Proof of commencement of work shall be filed before November 27, 1923.

Work must be prosecuted with reasonable diligence and be completed on or before October 27, 1923.

Proof of completion of work shall be filed before November 27, 1923.

Application of water to beneficial use shall be made on or before

October 27, 1926. Proof of application of water to beneficial use must be filed with State Engineer on or before November 27, 1926.

SERIAL NO. 5027

APPLICATION FOR PERMISSION TO CHANGE THE POINT OF DIVERSION
AND THE PLACE OF USE OF WATER.

Dated of first receipt and filing in State Engineer's Office APR 26 1918
Returned to applicant for correction APR 27 1918
Corrected Application Filed _____

The undersigned, E.E. SEYLER, of Peavine Ranch, County of Nye, State of Nevada, hereby makes application to change the point of diversion and place of use of water heretofore appropriated and beneficially used as hereinafter shown.

1. The source of the water supply proposed to be changed is Peavine Creek.
2. The quantity of water desired to be changed is 80/100 cubic feet per second.
3. The water is to be used for irrigation and domestic purposes.
4. The water is to be diverted from the source at the following points: on said creek in North East Quarter, South East Quarter, Section 16, Township 8 North, Range 42 East.
5. The existing point of diversion under the former appropriation is situated on said creek in Northwest quarter, North West Quarter, Section 22, Township 8 North, Range 42 East.
6. The water herewith desired to be changed has been beneficially and continuously used upon the following described lands: East $\frac{1}{2}$ of Southeast $\frac{1}{4}$ of Section 21; West $\frac{1}{2}$ of Southwest $\frac{1}{4}$ of Section 22; East $\frac{1}{2}$ of Northeast $\frac{1}{4}$ of Section 28; West $\frac{1}{2}$ of Northwest $\frac{1}{4}$ of Section 27; all of said land being in Township 8 North, Range 42 East, in Nye County, State of Nevada.
7. The number of acres heretofore irrigated is 60.
8. The number of acres proposed to be irrigated is 80.
9. The description of the land proposed to be irrigated is East $\frac{1}{2}$ of Southeast $\frac{1}{4}$ of Section 16, Township 8 North, Range 42 East.
10. The proposed diversion works are a rock and earth dam at the point of diversion above described, and a ditch 60 inches wide and 30 inches deep leading therefrom.
11. The dam and ditch is now complete and but nominal expense for repair is needed.
12. The works are now prepared and ready for use.
13. Irrigation will begin about the 1st of April of each year and end about the 31st of October of each year.
14. The water has heretofore been used during the months of April, May, June, July, August, September and October of each year.
15. The water herein sought to be changed is the same water that was formerly in controversy in the case of Seylor vs. Kearney, as State Engineer, et al., in the District Court of the Fifth Judicial District of the State of Nevada, in and for the County of Nye, and is part of the water right acquired by reason of application to appropriate the public waters of the State of Nevada, and the permit granted thereunder known as permit No. 2230, and being the same water right sold and conveyed by J.R. Harris, Grantor, to Barney Francisco, Grantee, by deed dated January 1918, and thereafter sold and conveyed by Barney Francisco to Hanorah Seylor by deed dated January 8th, 1918, and recorded January 8, 1918 in Book 33 of Deeds, at page 478 Nye County, Nevada Records; said grantee, Hanorah Seylor, taking the same as community property of herself and husband, E.E. Seylor, the applicant herein; certified copies of which deeds are herewith filed and made part hereof.

E.E. Seylor, Applicant

I hereby assent to the foregoing application.

Hannorah Seylor.

Subscribed and sworn to before me this 16th day of April, A.D. 1918.
